

Corporate Social Responsibility Programme

A CSR Programme was held at Jhikurkhali Primary School, Haldia on the occasion of Children's Day on 14 November, 2009. Around 250 school children (Class I to IV) took part in the programme.

The programme started by interaction with students where awareness discussion on environment and general knowledge was held. (Children's day significance was explained). This was followed by Sit & Draw competition and Clay model making competition. Games were organised for children. All this was followed by Lunch for school children (arranged by MCPI)

Energy Conservation Quiz competition in progress

Energy Conservation Day was celebrated at factory on 14th December 2009. Inter dept Energy Conservation Quiz Competition, Crossword competition and Energy Conservation Slogan competition was held at the occasion.

23rd Industrial India Trade Fair

MCPI pavilion at the Trade Fair

Inauguration of MCPI pavilion by Mr. Goutam Mukherjee, GM-Commercial

MCPI participated (by erecting a pavilion) in the 23rd Industrial India Trade Fair held at Milan Mela Complex (Opposite Science City), Kolkata. The Fair was jointly organized by Bengal National Chamber of Commerce & Industry (B.N.C.C.I.) and Govt. of West Bengal in association with India Trade Promotion Organisation.

Inauguration Ceremony of Phase-II Expansion Project of MCPI 23 October, 2009

The Ceremony

- The Ceremony began with the presentation of flower bouquet to the dignitaries present on the dais by the lady employees of MCPI.
- The Chief Guest for the ceremony was Dr.Yoshimitsu Kobayashi – President & Chief Executive Officer of Mitsubishi Chemical Corporation and Mitsubishi Chemicals Holdings Corporation, Japan.
- Other dignitaries present were Mr.Ashok Mohan Chakraborty, I.A.S.- Chief Secretary, Govt. Of West Bengal, Mr.Bijoy Chatterjee, I.A.S. – Secretary, Chemicals & Petrochemicals, Govt. of India, Mr.Keizo Takewaka – Minister (Political), Embassy of Japan, Mr. Fujio Samukawa- Consul General Japan, Smt. C.D.Lama, I.A.S. - District Magistrate, Purba Midnapore.
- The welcome address was given by Mr.Y.Ikegawa-Managing Director, MCPI. This was followed by speeches from Mr.Keizo Takewaka, Mr.Bijoy Chatterjee and Mr.Ashok Mohan Chakraborty. Then the Chief Guest, Dr.Yoshimitsu Kobayashi, unveiled the Inauguration plaque of the Phase-II Expansion Project of MCPI and addressed the gathering. This was followed by the presenting of mementos to the dignitaries on the dais and deliverance of the Vote of Thanks by Mr. E. Ono, Chairman, MCC PTA India Corp. Private Limited. After this the ceremony came to a close and was followed by a grand lunch for all invitees.

- Capacity of the new plant is nearly double the existing one but occupies almost the same area – and it is accommodated within the retained land of MCPI.
- The plant is equipped with the latest and the most advanced proprietary technology of MCC.
- Having 8,00,000 ton per annum capacity it would be the largest capacity for a single line of production of PTA in the world.
- With cumulative investment of \$ 800 Mn, MCPI would rank among the leading FDI's from Japan in India till date.
- MCPI is now the largest recipient of financial investment from Mitsubishi Chemical Corporation at any single location outside Japan.
- Equipped with the latest and most advanced technology, MCPI is soon to provide the central facility for 'Technology-related' management of MCC's global PTA business.
- With a combined capacity of around 1.27 Mn. Ton per annum, MCPI would significantly enhance its contribution to the rapid growth of polyester and artificial fibre industry in India by ensuring stable supply of 'world class' raw material - PTA.
